

Crystal Ball, Palm, Tea, or Card Readings

- 1) There is no guaranty that the reading will be accurate.
- 2) The reading should be specific and not general statements that could apply to a larger group of people.
- 3) What percentage of what you are told about your past is accurate, detailed, and applies only to you?
- 4) What percentage of what you are told about your present is accurate, detailed, and applies only to you?
- 5) What percentage of what you are told about your future is accurate, detailed, and applies only to you?
- 6) Please remember that any future that you are told about should be equally as accurate as the past and present.
- 7) Any future events that you are told about are not predetermined; they are the most likely course of events. You have free will, you can change them.
- 8) Keep in mind that any person who accurately reveals the past and present may choose to alter what they tell you for their own personal gain.
- 9) Information you choose to provide after this reading may help improve the accuracy of future readings.
- 10) Please read this list again after your reading.
